Extension Partnership**

Center for  
Industrial Services

INSTITUTE *for* PUBLIC SERVICE

**Tennessee Manufacturing  
Extension Partnership**

# How to Succeed as a Supplier in the Electric Vehicle Industry

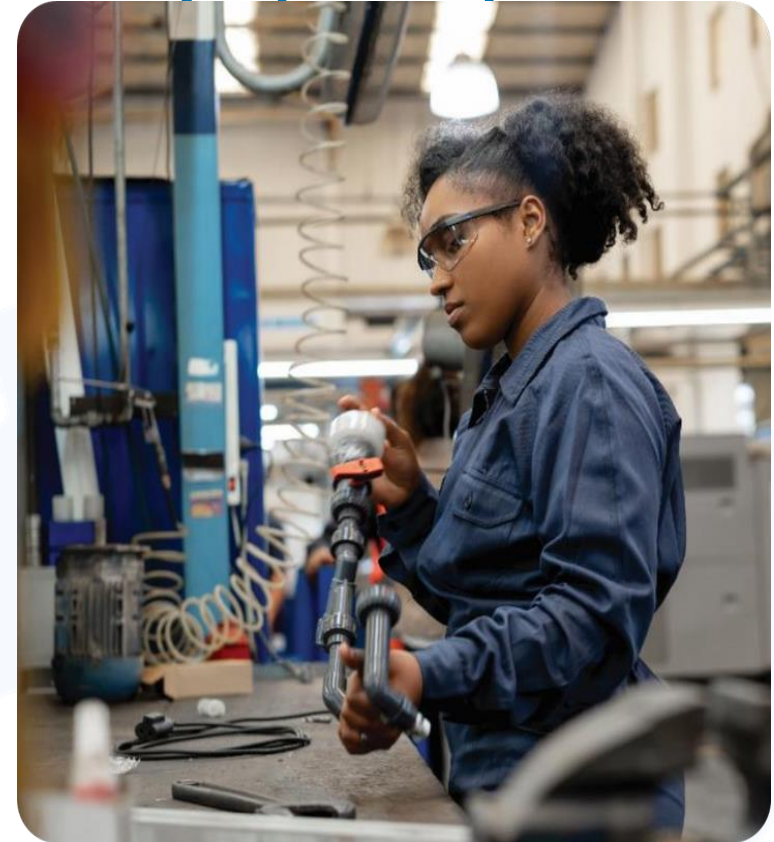

Presented in partnership

**MEP National Network Southeastern Centers**

# The Manufacturing Extension Partnership (MEP)

- Public-private partnership delivering comprehensive, proven solutions to U.S. manufacturers, fueling growth and advancing U.S. manufacturing
- Part of the US Commerce Department's National Institute of Standards and Technology (NIST)
- State MEP Centers serve as hubs for manufacturers, tailoring their services to meet their unique, critical needs

# The MEP National Network

# NIST MEP and Supply Chain

- **Executive Order 14005 – Buy America Requirements**
  - On January 25, 2021, the White House announced Executive Order (EO) 14005, called Executive Order on Ensuring the Future is Made in All of America by All American Workers. EO 14005 establishes a substantial role for the MEP National Network™ in the Biden Administration’s plans to bolster American manufacturing
- **CHIPS and Science Act**
  - Over \$20 million authorized by the CHIPS and Science Act is being invested in the capacity of the NIST Manufacturing Extension Partnership National Network to support supply chain support activities, including (and especially) supplier scouting requests.
- Connect with your local MEP Center to connect with these resources in your state/region:  
<https://www.nist.gov/mep/centers>

# Panelists

- [Geoff Foster](#)  
CEO/President  
Core Technology Molding Corporation
- [Simon Buderath](#)  
Principal  
P3, USA
- [Daniel Costinett, Ph.D](#)  
Professor & Associate Department Head  
Department of Electrical Engineering and Computer Science  
The University of Tennessee

# Thank You!
